

Privacy Policy

This privacy notice discloses the privacy practices for Network M.D. Inc. website. This privacy notice applies specifically to any information that might be collected through this website. It will provide you with details about:

1. Type of information collected, why it is gathered, and how it might be used.
2. Choices available regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How to correct any inaccuracies in the information.

Information collection, purpose and use.

We are the sole owners of the information collected on this site. We only have access or collect information that you voluntarily give us via email, the website, or other contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside our organization, other than as necessary to fulfill your request (i.e. products and or services from a third party provider).

We may contact you in the future via email, phone or with some method to inform you about deals, new services and products, or changes to our policies and terms.

Access and control over information

You may contact us at any time for any of the following reasons related to your information:

- Verify your current information.
- Update or correct any data we have about you.
- Share any concerns that you may have regarding the use of your data.

Security

We take precautions to the best of our ability to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Orders

We may request information from you on our website order forms, support requests, and others. To buy from us, you must provide contact information (like name and shipping address) and financial information (like credit card number, expiration date). This information is used for billing purposes and to fill your orders. If we have trouble processing an order, we'll use this information to contact you.

Cookies

We use "cookies" on this site. A cookie is a piece of data stored on a site visitor's hard drive to help us improve your access to our site and identify repeat visitors to our site. For instance, when we use a cookie to identify you, you would not have to log in a password more than once, thereby saving time while on our site. Cookies can also enable us to track and target the interests of our users to enhance the experience on our site.

Some of our business partners may use cookies on our site (for example, advertisers). However, we have no access to or control over these cookies.

Sharing

We partner with other parties to provide specific services. When the user signs up for these services, we will share names, or other contact information that is necessary for the third party to provide these services. These parties have their own privacy policies that you may have to accept in order to receive their services. We have no say or control regarding this third party policies.

Links

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.
